# Boat Tour Lake Pielinen

Explore one of the largest lakes of Finland,  
visit islands & Koli National Park

Set sail for Lake Pielinen from Lieksa Port for all day excursion

Lake Pielinen is a pristine and rugged wilderness lake, characterized by a majestic hill scenery with pine forests. It covers an area of 894 km<sup>2</sup> and is the fourth largest lake of Finland.

More than 1490 islands and shores form a mosaic dotted with cliffs, beaches and woods. Koli National Park islands and hills are situated on the western side of the lake.

This is one of the most well-known natural sites and sceneries in Finland.

Our boat is a seaworthy motorboat equipped with open deck on the bow, deck seating on the main deck level, two cabins, galley, toilet, and swimming ladder on the tail platform.

We will enjoy the day on the lake, relax, land on an island or two, hike and swim, visit Koli National Park and cruise back around sunset time. Refreshments are included.

Optional light dinner onboard while cruising back to Lieksa.

The cruise is suitable for small groups, families, couples, and individuals up to 8 persons
